27 January 2017

Dear

Mtunzini Primary School is well underway with the planning of our Centenary. Substantial groundwork has been laid for this celebration with a number of exciting events to be held in August 2017.

Our learning program focuses on academic excellence. Each child receives a quality education and is encouraged to participate in a variety of extra-mural, cultural, team and individual sports as seen in the brochure. The school was officially opened on 1 August 1917 as the Mtunzini Government Aided School. During the 1920's steady progress was made in extending the building and playgrounds. Today 210 learners attend the school.

The following events will be held:

- Wednesday 9 August - Mtunzini Primary School Big Walk
- Thursday 10 August - Heritage Day
- Friday 11 August - Fun Day/ School Reunion Celebration
- Saturday 12 August - Dinner
- Sunday 13 August - Church Service

As part of the celebrations a number of projects have been earmarked. Our focus and projects for 2017 are as follows:

- * Upgrading Smart Boards
- * Various Maintenance Projects
- * New Signage

We invite you to join our Mtunzini Primary Community as we celebrate our vibrant historical heritage and continue to lay a rich foundation for our pupil's future. We appeal to you and your company to offer sponsorship for a particular event on our program or to extend assistance in any available capacity.

Banking Details:

Bank: FNB - Empangeni

Branch Code: 220130

Account No: 52164373477

Reference: Centenary & Name

Your support will be greatly appreciated.

Yours sincerely

R. Beath
Principal
